STATINTL

MEMORANDUM FOR: [REDACTED]  
Suggestion and Achievement Awards Committee

STATINTL

FROM: [REDACTED]  
Executive Officer, DDA

SUBJECT: Emergency After-Hours Medical Treatment

Joe,

1. Per our discussion and because you are deeply involved in the suggestion having to do with the after-hours medical treatment, I thought I would pass on to you the list of names who are licensed or certified emergency medical technicians which I received from [REDACTED]. I am quite sure this is not an exhaustive list nor am I certain it includes individuals assigned in the out buildings.

STATINTL

2. I think it would be well to pass this information on to the Safety Committee for whatever action they might want to take to implement this system.

3. If I can provide any other assistance, please let me know.
